The designs of our china wholesale sunglasses include Aviator Sunglasses, Polarized Sunglasses, Designer Sunglasses, and Fashion Sunglasses. Whether you are looking for discount sunglasses or a pair of cheap sunglasses wholesale, we are your direct source. By purchasing DG Sunglasses, X-Loop Sunglasses, or Locs Sunglasses through our website you are receiving the best discount price available. This helps keep your overhead low, and profits high. We receive bulk sunglasses in container loads factory direct and pass the savings on to you, the retailer and wholesale sunglasses distributor. We also offer volume discounts which allow you to save up to 20%, which is very attractive to our high volume customers.

More about Volume Discounts

Most of our wholesale sunglasses and designer sunglasses feature a brand name on the sunglass arms. These brand names are registered trademarks in United States, which guarantees that you are receiving 100% authentic sunglasses! Our top three best selling wholesale sunglasses are DG Sunglasses, XLoop Sunglasses, and Locs Sunglasses. Our brands have gained recognition among many online sellers, ebay sellers, and large retailers throughout the years. All of our cheap sunglasses comply with US and European regulations. All of our sun glasses lenses have UV400 protection, which blocks 100% of all harmful UVA and UVB rays.

More about Selling Sunglasses

Miami Wholesale Sunglasses is the proud Wholesale Sunglasses Supplier of these popular brands:

DG Sunglasses	XLoop Sunglasses	Choppers Sunglasses	Locs Sunglasses

Whether you're looking for wholesale fashion sunglasses or kids sunglasses, we offer a wide array of brands at an unbeatable price. We offer hundreds of different styles and we'll match or beat any competitor's price – guaranteed.

Many of our brand name sunglasses are sold by the dozen. We sell top brands of women's designer sunglasses that feature an assortment of popular styles and unique color variations. We also offer numerous brands of wholesale men's sunglasses that make a masculine fashion statement fit for a cool night on the town or a hot day at the beach.

As a top wholesale sunglasses distributor, we're committed to providing you with the best and most affordable fashion sunglasses on the market. That will allow you to maximize your profits in selling these attractive, trendy shades.

We keep up with the hottest sunglasses trends to ensure that our products keep up with the latest look. Our new arrival products represent the latest in summer fashion at a discounted price.

In addition, we offer variety packs that feature a handful of different bulk sunglasses styles. That means you can choose to buy a few pairs of four different styles instead of a dozen pairs of a single style.

How to find the best Wholesale Sunglasses Distributor or Sunglasses Manufacturer?

First, you must do adequate research to find the best wholesale sunglasses distributor. You can do this by searching Google or Yahoo online or by finding a printed wholesale publication that lists sunglasses manufacturers. Secondly, many sunglasses distributors have a niche market in the bulk sunglasses industry, so the best distributor is not always going to be the same for everyone. Finally, you will need to find the best priced cheap sunglasses for your needs. There are dollar store suppliers that

sell cheap sunglasses as low as \$8 per dozen, but the quality is extremely low and will usually break within a couple of days. Better quality sunglasses that you can retail for \$10 - \$20 per pair usually have a wholesale cost of \$24 to \$30 per dozen. For this reason, we believe we have the best quality and the best prices for bulk sunglasses in the discount sunglasses market. Also, remember that we offer volume discounts based on the size of your order so you can enjoy an even lower cost for sunglasses with higher profits!

Information on how to buy Wholesale Sunglasses!

We continually strive to offer the best wholesale sunglasses by the dozen and we hope you agree. You can easily place an order by adding the desired bulk sunglasses to the "shopping cart". Once you have added all the product(s) you need, click "checkout", and enter your information including your shipping details and payment information. Once your order has been completed you will promptly receive an email confirmation for your order. If you have any questions about our wholesale sunglasses, please do not hesitate to [email us](#), or call us via our toll-free phone number.

The glasses were great and the service was 2nd to none although I did find one pair of the choppers sunglasses loose at the hinge of the ear piece. I don't want to sell this one pair to find out one of my customers were unhappy / unsatisfied with the quality. I have not contacted miami sunglasses about this. Hopefully I can be credited or possibly receive an additional pair with my next order. Overall, great shopping experience and plan to continue to do business with Miami Sunglasses. Thank you,

Shopping was easy and the online catalog is easily viewed. Based on the condition of the product and when it is received I may be highly likely to recommend and order more products for business use.
